Two 3-year Plans

2019 – 2022

2022 - 2025
UofL Values - “CARDINAL Principles”

C. Let us be a university that is a **Community of Care.** Care for self, care for one another as the Cardinals Family, and care for the community beyond as the human family. We are a community—not just a collection of individuals. We are a community—not just buildings connected by an HVAC system.

A. **Accountability to the Team.** We keep our promises. We own mistakes. We are accountable to the team.

R. **Respect, irrespective of position.** We respect each other’s humanity and dignity, no matter what our positions in the organization are. We also respect our right to differing and conflicting positions on issues. To quote, “We will be a place that prepares students for ideas, not protects students from ideas.”

D. **Diversity and Inclusion.** We celebrate diversity of thought, of life experiences, of perspectives. We know as the Kentucky motto states, *United We Stand.* We want everyone, in the richness of all of their many unique and intersecting identities to feel included in the Cardinal fold.

I. **Integrity and Transparency.** We will be true to our mission of an urban research university to create, disseminate and apply knowledge. Integrity is our collective commitment to make decisions with the best interests of our university in mind and to share the decision-making rationale and the outcomes transparently.

N. **Noble Purpose.** We will identify for ourselves the ways in which we make a difference. We know we must solve the problems of access and affordability to give everyone the opportunity to find and pursue their own noble purpose.

A. **Agility.** We will recognize that things change and when they do, we must change things. We know that when adaptation in an organization does not keep pace with adaptation in the environment, the organization will not survive.

L. **Leadership.** We recognize that management is a position but leadership is an activity. We will all behave as owners of the University of Louisville because we are. We are U of L is not just a hashtag or a slogan. It is our declaration of leadership and ownership.
